

BIGBOOSTER, THE FIRST IN CLASS NON PROFIT INTERNATIONAL ACCELERATION PROGRAM FOR STARTUPS

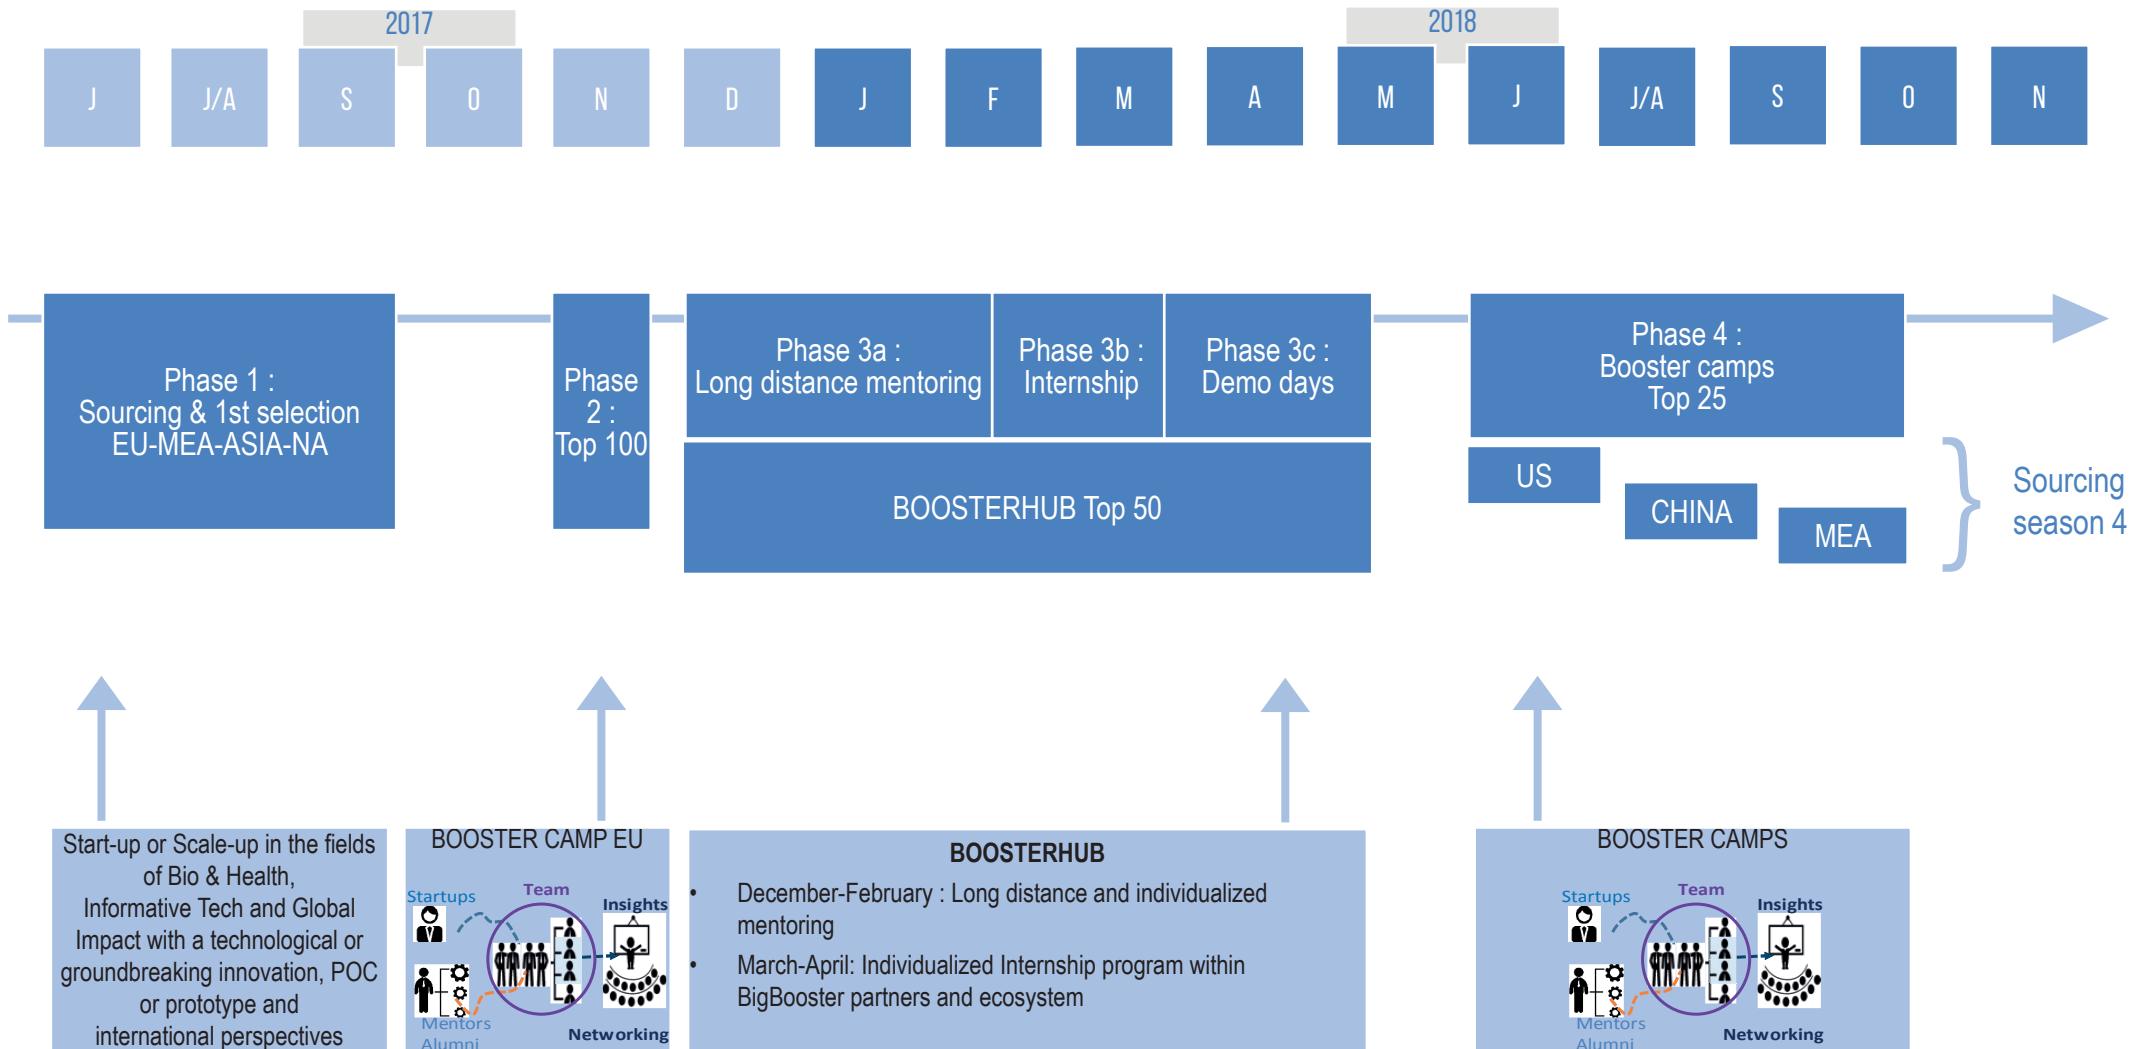

BigBooster is the only international non-profit startups acceleration program reaching out to 4 continents. Organized across the globe, from Lyon (FR) to Boston (MA, USA), passing through China and Middle East Africa, BigBooster is dedicated to startups with cutting edge innovation in the fields of Bio & Health, Informative Tech and Global Impact. The program aims at empowering startups to cross borders, think global and go international, with the help of major mentors, coach, and startup experts of all backgrounds.
